Q2

Please comment on the proposed 2023 translocation of Sage-Grouse to Alberta, Canada.

If this betters the world's sage grouse population, all the better. Yes

Q2

Please comment on the proposed 2023 translocation of Sage-Grouse to Alberta, Canada.

Montana is already having problems with there own populations of sage grouse especially in se mt why are we relocating birds out of the country when we can't figure out how to stabilize and regrowth within the state?
